Dear Ms Griffiths

**Partial discharge of condition 9 of TWA/10/APP/01 it relates to the overbridge and replacement road from Wendlebury to Langford Lane (works no 11)
Chiltern Railway from Oxford to Bicester, Oxford, Oxfordshire OX1 1HW**

Thank you for your consultation, which we received on 16 September 2014. I apologise for the delay in our response.

We have **no objections** to the partial discharge of Condition 9. We are satisfied that the archaeological investigations will not increase flood risk if carried out as described in the report 'Written Scheme of Investigation for Archaeological Excavation and Preservation In Situ Monitoring at Langford Lane Diversion and Overbridge, Wendlebury, Oxfordshire'.

The extent of flooding in this area has been shown to be less than our current Flood Map for Planning by the accepted Flood Risk Assessment (FRA) - Wallingford Hydro Solutions v3, 24 January 2014.

Yours sincerely

**Mrs Cathy Harrison
Planning Advisor**
