Trees / Proposal (brief description): 2 x Plum – fell
1 x Birch - fell
2 x Cypress - fell
3 x Birch - fell
1 x Hawthorn - fell

Significant comments: The trees proposed for removal are all poor specimens, providing little amenity value. The removal of the trees is necessary to improve access to buildings.

A tree replanting plan for the site is being developed, by the applicant, which will address the loss of these trees and replace them with healthy trees in a more suitable location. The Council has requested a copy of the plan for approval in 2015.

Conclusion: **No arboricultural objections to the proposed works.**

Case Officer Decision: **No further comments. No TPO warranted.**
