HISTORY DATA

Gas

SSSIs

This plan shows the location of those pipes owned by Scotia Gas Networks ("SGN") by virtue of being a licensed Gas Transporter (GT). Gas pipes owned by other GTs, or third parties, may also be present in this area and are not shown on this plan. Information with regard to such pipes should be obtained from the relevant owners. No warranties with regard to the accuracy of the information shown on this plan, service pipes, valves, siphons, sub-connectors, etc. are not shown but their presence should be anticipated. No liability of any kind is accepted for any damage or injury caused by the use of this plan. It is your responsibility to verify the accuracy of the information shown on this plan. It is your responsibility to verify that this information is provided to all persons (whether direct labour or sub-contractors) working for you on or near gas apparatus. The information included on this plan should not be referred to beyond a period of 28 days from the date of issue.

Appendix A - Site Plan

Appendix B - Plan showing Local Sewers

The width of the displayed area is 500m and the centre of the map is located at OS coordinates 456250,224750
The position of the apparatus shown on this plan is given without obligation and warranty, and the accuracy cannot be guaranteed. Service pipes are not shown but their presence should be anticipated. No liability of any kind whatsoever is accepted by Thames Water for any error or omission. The actual position of mains and services must be verified and established on site before any works are undertaken.
