Reasons for comment:

Comments: Andrew,

On behalf of the Heyford Park Residents & Community Development Association we fully support Dorchesters new application for village centre north 18/00513/REM.

We are pleased to see sufficient commercial spaces and even though there is less residential now planned due to the height being dropped and southern block removed we welcome the softer design.

We welcome a speedy approval and for the much

needed amenities to start to be delivered at Heyford Park.

Best regards

Leigh
