Subject: RE: Planning Application Consultation - 18/00121/F

Dear Mr. Neville,

I refer to your letter dated 25 January 2018 consulting the County Council as Minerals and Waste Planning Authority on application 18/00121/F:

Proposal: Minor material amendment to 16/01587/F - to increase structural steel columns in section, alterations to the window fenestration and increase in ridge height of 450mm and eaves height of 450mm.

Location: Barn And Land South West Of Cotefield Farm, Church Street, Bodicote.

The proposed development would not adversely affect significant mineral resources; and it does not have any strategic waste planning implications. The County Council therefore has no minerals or waste planning comments to make on this consultation.

Kind Regards,

Elise Kinderman
