Dear Rob,

Re: 14/02156/OUT - Cotefield Business Park, Bodicote

We can confirm that in our opinion the archaeological field work as required by Cherwell District Council has been successfully completed in line with the agreed written scheme of investigation and that no further fieldwork is required.

There are therefore no further archaeological constraints to the commencement of any development as set out in the agreed written scheme of investigation.

This is not a letter for a formal discharge application and the post excavation programme will need to be completed and the final report finalised before the final condition has been met.

Yours sincerely

Richard Oram
