Categories: Yellow Category

Hi Maria,

Following that telephone conversation, I am now convinced that variation of condition 14 of 16/01805/F shall unlikely lead to increased trips even with flexibility of use of the buildings as sought by the application. With this, I would like to withdraw my initial objection.

Kind regards,

Rashid

Well I just wanted to speak to either him or someone else regarding his consultation response to 17/02312/F – a proposal at Bicester Heritage. I am minded to approve, but he has objected and I just wanted to talk it through with him.

Maria
