YOUR COMMENTS ON THE CASE

Please note this is a generic and neutral statement as I am not permitted to appeal a Bovis application directly.

Observations And considerations by all parties should be considered to the outlined statements already provided

In addition to this consideration should be given by all parties to:

Poor visibility at night of black railing and resident controlled lighting, causing potential loss of sight if lighting is not operative

Limited access points causing children and adults to climb over the railings to gain park access

Utilisation of residence front gardens and private property being used as short cut access to park areas

Railings located on residents properties causing liability of the above
