3. Description of the Proposal

Please describe the proposed development including any change of use:

New car park area to be built. This area is already used as an overflow parking area and as such has a mixture of concrete and compacted hardcore. The proposal would be for a clearly marked and defined car park area to meet the needs of visitors to the Conference Centre. A path would run the length of the North parking bays, to join an existing path.
It is envisaged that 27 new bays be created 2.4m x 5m, and that 2 of the spaces allow for electric car charging. There is already an access road to a parking area adjacent to the new proposed area and there is a disabled space close to the Conference Centre entrance.

Has the building, work or change of use already started? Yes No
