Comments Details

Commenter Type: General Public
Stance: Customer made comments in support of the Planning Application
Reasons for comment:
Comments: This parcel of land has been hard won for the benefit of the whole village in return for unfortunately a poorly executed housing development. Nonetheless in order to benefit from this land it cannot remain as agricultural land (too small to be viable and also the village has no ability to manage it as agricultural land). So to maximise its potential as a location for amenities for the whole village I support a change of use to sport/recreational and community use.
