Dear Sir or Madam

Re: Change of use of the Milton Road Field from agriculture to sport and community.

Planning Application: 18/00220/F

This application has my full support. The village is expanding at a considerable rate with many young families arriving. Our village desperately needs sport and recreation facilities for all, with adequate parking. Current facilities though loved cause dangerous parking situations on very narrow residential roads. We have no meeting place for large groups, with car park and this is essential for a large village in the 21st.century.The proposal is long overdue. Having lived her for almost 50 years I believe we deserve this for our great village.

Yours faithfully Janet Morgan
