This application has my full support. The village is expanding at a considerable rate with many young families arriving. Our village desperately needs sport & rec. facilities for all, with adequate parking. Current facilities, though loved, cause dangerous parking situations on very narrow residential roads. We have no meeting place for large groups, with car park, & this is essential for a large village in the 21st. century. The proposal is long overdue. Having lived here for almost 50 years I believe we deserve this for our great village.
