**Reasons for comment:**  
**Comments:** I fully support this application. Adderbury needs improved sporting and community facilities. The village is increasing in size and the current amenities are poor. For instance, young men wanting to play youth football have to go to Deddington at the moment as Adderbury Park Football Club have no space to accommodate them. If this application is successful they will be able to offer a full range of youth teams and training facilities for young footballers, both boys and girls. There is much work to be done but there is an enthusiastic group of people in the village who will support the Parish Council to provide much needed facilities which, hopefully, will be appreciated by future generations. You will be aware there are some who will object, they are mainly NIMBYS who are only thinking of themselves, their views should be weighed against the greater good for the whole community.
