Reasons for comment:

Comments: Contrary to the Parish council's view this site will only ever suit a small development given its location so near a dangerous, blind bend. It has been an untidy area which has had to be fenced off due to some recent fires. A small development of six houses is ideal given it would limit the number of pedestrians having to make their way into the village. Steeple Aston is a lovely village and these homes will add to it especially as they are located at its entrance.
