## **Transport Development Control**

### **Recommendation:**

Condition 23 (Bus stops) and Condition 59 (CTMP) – Objection

### **Detailed comments:**

Following the HA's response dated 20 March 2018 on the above conditions, this application has not provided further information to warrant discharge of the same conditions.

- Condition 23 still requires the applicant to agree to the shelter type designs and maintenance plans.
- A CTMP should be updated to cover pertinent issues that were highlighted within the HA's response for Condition 59 to be discharged.
