Type of Comment Objection

Type neighbour

Comments I object to this application as follows: - 1. Adverse effect on the surrounding villages due to the very large increase in traffic flow and density during the rush hours. 2. The B430 will not be able to cope with this increase in volume of traffic between Middleton Stoney and the M40 Junction 10. 3. There is a narrow railway to the South of Ardley which will require straightening and no doubt strengthening. 4. There is already a large number of car transporters servicing the BCA site in Heyford using this road to access the M40 . 5. There is a local recycling centre, waste disposal incinerator/unit and quarry working currently using the particular stretch of road.
