| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="The reasons behind our objection are as follows. 1. Additional noise pollution. 2. Additional light pollution. 3. Both 1 & 2 will have a dramatic affect on wildlife such as bats, deer, foxes, herons, and birds of prey to name but a few. 4. Heyford Leys is a residential park home site for residents over 50 years of age, therefore residents will be severely impacted by noise and light pollution. The two new phases of homes on Heyford Leys were sold on the premise that the surrounding fields were not being built on. 5. On Heyford Leys there is a pond which is regularly frequented by wildlife, they will be affected by any new development. 6. What is the point of an observation tower with zipwire. Is it the councils intention to turn Upper Heyford into a theme park? 7. Local roads will not be able to handle the extra traffic."/> |
