Comments	<input type="text" value="I am objecting this for two reasons: 1. Additional traffic, parking and access for people via Williams Road; currently a quiet residential street not impacted by the same level of noise and crime as the rest of the development. Increased awareness and traffic will result in additional noise and I crime potential. 2. Spotlights. I have a young child that stays with me who has a bedroom at the front of the house. Spotlights would be visible and noise would impact his sleep."/>
