Yes please Andrew I would like you to register it as an objection.

I would also like info on who my solicitor will need to be in touch with , I brought this property to be away from children noise etc and this is what this place was sold as , which the council is more than aware of.

A lot of us are disabled vulnerable old age people who came here to live the rest of our lives in peace.

A complex like this is going to bring cars young people noise flood lights , people of our ages mostly go to bed early this is going to unpacked on on lives beyond believe .

Apologies for the delay in responding

If you wish me to register this as an objection please can I have your name and address?

Unfortunately, there is not a lot I can say in response to your comment but the land alongside the STP has been allocated for development since 2015.

Regards

Andrew Lewis

Mr Lewis

Reference the letter dated 4th May 2020

Regarding amendments to planning.

I live in a mobile home on duvall park homes which I purchased on the 8th November 2018. Prior to the purchase I was informed there would be no building on the land by the sewerage plant.
