Subject: ref: Master Plan 18/00825/HYBRID SPC For the Attention of Andrew Lewis

Andrew,

My family and I are frequent users of the Somerton Crossing and we wish to object to it's proposed closure. The crossing forms part of the only circular walk from Somerton of similar length and this closure would seriously curtail our recreational enjoyment of this area of great natural beauty. I am a pensioner and find longer walks increasingly difficult.

Regards,
Peter Seymour
