Subject: App Ref: 18/00825/HYBRID - Former RAF Upper Heyford - Sport England Ref: PA/18/SE/CL/49074

Dear Andrew,

Thank you for re-consulting Sport England on the above application.

I have reviewed the amendments and welcome the relocation of the sports pitches to the south east as we discussed previously. It is disappointing we are not as far with the identifying the sporting offer and that the residents survey had not taken place before lockdown.

It would be good bottom out some of the sporting offer before the end of the summer this year.

Conclusion

Having reviewed the amendments, Sport England raises no objections to the granting of planning permission subject to a suitable section 106 which will provide a sporting offer to the new residents.

If this application is to be presented to a Planning Committee, Sport England would like to be notified in advance of the meeting date(s) and the publication of any agenda(s) and report(s). Sport England would also like to be notified of the outcome of the application through the receipt of a copy of the decision notice.

If you would like any further information or advice please contact me at the address below.

Yours sincerely,

Bob
