Andrew

Many thanks for the extra documents relating to the above, the inspector Martyn Sime, has now had a look at the planning application and his response is as follows:

*'HSE has reviewed the changed scope and identifies no reason to change its original advice.'*

Hope this is helpful, regards

I am sure you will appreciate that the current coronavirus pandemic may have an impact on our capacity to process your application in the standard timeframes, as colleagues follow the government guidance to prevent the transmission of the coronavirus. E-mails continue to be monitored and we will endeavour to keep you updated on the progress of your application.

The current COVID 19 crisis is making receipt of, and access to, post extremely problematic. HSE would be grateful if you could avoid sending hard copy mail wherever possible and instead send electronic versions.

Please let us know by phone or email of any instances where this is not possible and hard copy mail needs urgent attention.
