**Type of Comment** Objection

**Type** neighbour

**Comments** To whom it may concern, I strongly object to this planning application. It cannot be right that one village should attempt to mitigate its traffic by sending that traffic through other surrounding villages instead. There has already been a significant increase in traffic through North Aston as a result of the development at Heyford, putting in peril the children and pets in our village, let alone the constant noise that has already resulted. The development at Heyford is too large and has been poorly planned, ruining a rural area. Please do not allow it to now worsen the situation by the addition of this proposal to detour its traffic through neighbouring villages. Sincerely, Richard Hinzal
