**Organisation Name**

Leslie Parry

**Address** Juniper House, Somerton Road, North Aston, Oxfordshire, OX25 6HX

**Type of Comment** Objection

**Type** neighbour

**Comments** Whilst supporting the development at Heyford Park we are becoming very concerned at the adverse effect this is now having on our own village of North Aston particularly the very noticeable increase in the volume of traffic and corresponding speeding. The consultants report points to a further increase and we are concerned that the busgate development will make this even worse. This is becoming a dangerous situation especially for the children and elderly who live at the side of Somerton Road. We therefore object to the application on that basis but whether you are minded to pass the application or not we request that the local authority give urgent consideration to attenuating the adverse effects that the development is causing on traffic flow already.
