**Comments** As a resident of North Aston I would like to echo the concerns raised by fellow members of this village community over the proposed installation of traffic diversion measures (bus gate) between Heyford Park and Middleton Stoney. It is clear that the knock on effect of such a measure would be to significantly increase the volume of traffic passing through North Aston, which is predominantly a ribbon development of residential dwellings along Somerton Road, where speed restriction enforcement is minimal and where the traffic numbers have already risen markedly since the development work at Heyford Park began. Yours, Miranda Doggett
