Subject: Objection - Dorchester Homes Masterplan application

Dear Sir

I wish to object to the proposal of Dorchester Homes Masterplan application to restrict HGV access along the B4030 and to instead send along the B430 / A4095. I own land adjacent to both the B4030 and A4095 roads and the B4030 is far more suitable for this kind of traffic. Many cyclists use the A4095 to access our office park at peak times and further HGV's along this stretch is likely to put them at further risk. Not to mention the trouble many HGV's have in navigating the sharp bend at the Hale / A4095 junction - one I regularly turn right at (a blind turning for me) - an issue I have flagged up with Chesterton Parish Council on several occasions.

Kind regards

Charlie Lane Fox
