Post Committe Update Report 18.00825.HYBRID Heyford Park 09.08.2022.pdf .pdf File

Dear David

Please find attached a post committee report for application [18/00825/HYBRID](#) at Heyford Park, Camp Road, Upper Heyford.

The committee resolved November 2020 to grant planning permission subject to:

1. The conditions set out in the minutes (and any amendments to those conditions deemed necessary to be agreed in consultation with the Planning Committee Chairman and the Lead Member for Planning):
2. The completion of a planning obligation under section 106 of the Town and Country Planning Act 1990, as substituted by the Planning and Compensation Act 1991 to secure the heads of terms set out in the minutes (and any amendments as deemed necessary to be agreed in consultation with the Planning Committee Chairman and the Lead Member for Planning)

These requirements have been met, I attach copies of the responses received from the Chairman of the Planning Committee and the Lead Member for Planning.

As set out in the attached posts committee report, there are no other material considerations that have arisen since the committee made its resolution which in the view of officers would trigger scenario in which the Planning Committee as the decision maker could reasonably or in all likelihood come to a different view on this development.

We are of the view that the terms of the delegation from the committee have been met. Please can you confirm via return of email that you are happy to agree the attached report, and provide authorisation for the final decision to be issued.

Kind regards, Alex
