

Botanical Name	Native	Flowering Period & Bee Forage Value												Edible Uses	Notes		
		Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec				
Corylus avellana	★																
Prunus x subhirtella 'Autumnalis Rosea'																	
Chimonanthus praecox																	
Sarcococca hookeriana digyna																	
Sarcococca humilis																	
Prunus dulcis																	★
Forsythia x intermedia Minigold																	★
Prunus spinosa	★																★ Valuable food crop for birds
Cercidiphyllum japonicum																	
Ajuga reptans 'Catlin's Giant'	☆																
Bergenia 'Silberlicht'																	
Rosmarinus officinalis 'Miss Jessopp's Upright'																	★
Rosmarinus officinalis 'Prostratus'																	★
Prunus avium 'Summer Sun'	☆																★
Prunus domestica 'Victoria'																	★
Pyrus communis 'Beurré Hardy'																	★
Pyrus communis 'Conference'																	★
Pyrus communis 'Doyenné du Comice'																	★
Acer campestre	★																
Acer campestre 'Elsrijk'	☆																
Amelanchier lamarckii																	★
Amelanchier x grandiflora 'Robin Hill'																	★
Betula 'Edinburgh'	☆																
Betula ermanii																	
Betula pendula	★																
Carpinus betulus	★																
Carpinus betulus 'Fastigiata'	☆																
Fagus sylvatica	★																
Malus 'Professor Sprenger'																	★
Prunus 'Umineko'																	
Amsonia tabernaemontana salicifolia																	
Thymus vulgaris																	★
Veronica prostrata																	
Ceanothus thyrsiflorus repens																	
Deschampsia flexuosa 'Tatra Gold'	☆																Long grasses create shelter for insects
Luzula nivea																	Long grasses create shelter for insects
Salvia officinalis																	★
Salvia officinalis 'Purpurascens'																	★
Malus domestica 'Bramley's Seedling'																	★
Malus domestica 'Cox Self Fertile'																	★
Malus domestica 'Cox's Orange Pippin'																	★
Malus domestica 'Discovery'																	★
Malus domestica 'James Grieve'																	★
Viburnum davidii																	
Viburnum opulus	★																Valuable food crop for birds
Viburnum opulus 'Compactum'	☆																Valuable food crop for birds
Crataegus monogyna	★																
Malus tschonoskii																	
Sorbus aria 'Lutescens'	☆																★ Valuable food crop for birds
Sorbus commixta 'Embley'																	★ Valuable food crop for birds
Nepeta 'Six Hills Giant'																	
Lavandula angustifolia 'Hidcote'																	★
Lavandula x intermedia 'Grosso'																	★
Magnolia grandiflora 'Gallissonnière'																	
Calamagrostis x acutiflora 'Karl Foerster'																	Long grasses create shelter for insects
Corynephorus canescens	★																Long grasses create shelter for insects
Deschampsia cespitosa 'Goldtau'	☆																Long grasses create shelter for insects
Eryngium bourgatii																	
Melissa officinalis 'Aurea'																	★
Ribes odoratum																	★ Valuable food crop for birds
Rosa rugosa 'Alba'																	★
Rosa Yellow Dagmar Hastrup																	★
Lonicera periclymenum	★																
Cornus sanguinea 'Midwinter Fire'	☆																
Pachysandra terminalis 'Green Carpet'																	
Sporobolus heterolepis																	★ Long grasses create shelter for insects
Echinacea purpurea																	
Chamaemelum nobile	★																
Cynara cardunculus																	★ Valuable food crop for birds
Eupatorium purpureum																	
Verbena bonariensis																	
Molinia caerulea arundinacea 'Skyracer'	☆																Long grasses create shelter for insects
Stipa gigantea																	Long grasses create shelter for insects
Stipa tenuissima																	Long grasses create shelter for insects
Phormium tenax																	
Clematis tangutica																	
Rhus typhina																	★
Anemone hupehensis 'September Charm'																	
Anemone x hybrida 'Honorine Jobert'																	
Aster x frikartii 'Mönch'																	
Rudbeckia fulgida sullivantii 'Goldsturm'																	
Salvia guaranitica 'Blue Enigma'																	
Veronicastrum virginicum 'Album'																	
Liriope muscari 'Monroe White'																	Long grasses create shelter for insects
Elaeagnus x ebbingei																	
Nerine bowdenii																	
Arbutus unedo 'Compacta'																	★
