Hi Caroline

Condition 13:

The layout is not 100% clear, but it seems there is proposed one of the cycle lockers for each property that does not have a garage. The cycle lockers look fine. I assume these are the double door red 'cupboards' on the layout plan. If this is the case, then I have no objection to the discharge of condition 13.

Condition 54 – on the assumption that there is a separate CTMP document covering all the required traffic matters, then I have no comment on this.

Condition 34 – Rainwater harvesting – I can't see any documents on this. Do you need highways comments on it?

Kind regards

Joy
