Subject: The North Arms, Wroxton

To whom it may concern,

I wish to express my interest and approval of the North arms being renovated and reopened in Wroxton.

Having just moved to the village and living literally 20 yards from the pub, we are very sad to see it not open and since moving here the other only remaining pub in the village has also closed.

I really believe that Wroxton would have a much better community if we had a place to go to, to socialise.

The village attracts a lot of visitors to the abbey every weekend and I firmly believe that reopening the pub would generate a lot more interest in our village and make it the hive of the community. It would also bring new jobs which is always a positive aspect.

I would be very much interested in signing any consent towards this application, please keep me updated.

Yours faithfully,
Sophie and Matthew Jeffrey
