Reasons for comment:

Comments: We live in Wroxton and fully support this planning application. The village is currently without a pub and we are grateful to FDU for proposing to bring the North Arms back into the use for the community and as a viable business. The North Arms is a historic building that is currently in a very poor state of repair and it will be very positive to see it refurbished and repaired. We hope that Cherwell District Council grant this planning permission smoothly and quickly and look forward to the North Arms being back in business.
