

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

Name and Address of Agent/Applicant:

Fowler Architecture & Planning Ltd
Mr Peter Crozier
19 High Street
Pewsey
SN9 5AF

Date Registered: 14th June 2019

Proposal: Variation of Condition 2 (plans) of 18/01746/F - minor amendments to Design Scheme

Location: Nicholas Corner, Burdrop, Banbury, OX15 5RQ

Parish(es): Sibford Gower

PERMISSION FOR DEVELOPMENT SUBJECT TO CONDITIONS

Cherwell District Council, as Local Planning Authority, hereby **GRANTS** planning permission for the development described in the above-mentioned application, the accompanying plans and drawings and any clarifying or amending information **SUBJECT TO THE CONDITIONS SET OUT IN THE ATTACHED SCHEDULE.**

The reason for the imposition of each of the conditions is also set out in the schedule.

Cherwell District Council
Bodicote House
Bodicote
BANBURY

A handwritten signature in black ink, appearing to read "Robert Jolley".

Robert Jolley
Assistant Director for Planning and Economy

Date of Decision: 8th August 2019

Checked by: Nathanael Stock

SCHEDULE OF CONDITIONS

1. The development to which this permission relates shall be begun not later than 30/11/2021.

Reason: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. Except where otherwise stipulated by conditions attached to this permission, the development shall be carried out strictly in accordance with the application forms and the following plans and documents: Planning and Design Statement and drawings numbered: 171131-01, 171131-03 and 171131-30.

Reason: For the avoidance of doubt, to ensure that the development is carried out only as approved by the Local Planning Authority and comply with Government guidance contained within the National Planning Policy Framework.

3. Prior to their installation within the development hereby approved, full details of the timber doors and timber windows hereby approved, at a scale of 1:20 including a cross section, cill, lintel and recess detail and colour/finish, shall be submitted to and approved in writing by the Local Planning Authority. Thereafter the doors and windows shall be installed within the building in accordance with the approved details, and retained as such thereafter.

Reason: To ensure that the completed development is in keeping with and conserves the special character of the historic environment and to comply with Policy ESD 15 of the Cherwell Local Plan 2011-2031 Part 1, saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

4. Prior to the construction of the roof of the development hereby approved above, a sample of the natural grey slate to be used in the construction of the roof of the development shall be submitted to and approved in writing by the Local Planning Authority. Thereafter the development shall be carried out in accordance with the samples so approved and shall be retained as such thereafter.

Reason: To ensure the satisfactory appearance of the completed development and to ensure that the completed development is in keeping with and conserves the special character of the surrounding Conservation Area, to comply with Saved Policy C28 of the Cherwell Local Plan 1996, Policy ESD 15 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

5. The natural stone to be used on the external rear walls of the development shall be of the same type, texture, colour and appearance as the stone on the existing main dwelling and shall be laid dressed, coursed and pointed to match that of the existing dwelling, unless otherwise agreed in writing by the local planning authority.

Reason: To ensure that the development is constructed and finished in materials which are in harmony with the building materials used in the locality and to comply with Policy ESD15 of the Cherwell Local Plan 2011-2031 Part 1, saved Policy C28 of the Cherwell Local Plan 1996 and Government guidance contained within the National Planning Policy Framework.

6. All rainwater goods shall be traditional cast iron or metal painted black and permanently so retained thereafter.

Reason: To ensure that the completed development is in keeping with and conserves the special character of the surrounding Conservation Area, to comply with Saved Policy C28 of the Cherwell Local Plan 1996, Policy ESD 15 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

7. The parking area shown on approved drawing number 171131-30 shall be kept free of obstructions at all times and used only for the parking and manoeuvring of vehicles, and retained as such thereafter.

Reason: In the interests of highway safety, to ensure a proper standard of development and to comply with Government guidance contained within the National Planning Policy Framework.

8. The accommodation hereby approved shall not be used other than to provide:

a. Residential accommodation ancillary to the main dwelling house;

Or

b. Holiday accommodation which shall not be occupied by any one person(s) for more than 28 days in a calendar year. In regard to this use a register of occupiers shall be kept for the unit, including as a minimum the name of the occupier(s) and the date of arrival and date of departure, and this shall be made available for inspection by the Local Planning Authority at all reasonable times.

Reason: The building, because of its siting in relation to the existing dwellinghouse and lack of external amenity space is not suitable for permanent residential accommodation without it being cramped or causing harm to the amenities of the occupants of the adjoining dwellings in accordance with Saved Policy C28 of the Cherwell Local Plan 1996, Policies SLE3, and ESD15 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

9. The residential accommodation hereby approved shall not be sold or used as a separate permanent dwelling unit independent from the existing main dwelling, and shall, upon the cessation of its use, become an integral part of the existing dwelling.

Reason: In the interest of highway safety and that the site is unsuitable to accommodate a separate dwelling without it being cramped or causing harm to the amenities of the occupants of the adjoining dwellings, and in order to comply with Policies C28 and C30 of the adopted Cherwell Local Plan 1996, Policy ESD 15 of the Cherwell Local Plan 2011-2031 Part 1 and Government guidance contained within the National Planning Policy Framework.

INFORMATIVE NOTES TO APPLICANT

1. **Conditions** – the applicant's attention is drawn to the need to comply with all conditions imposed on this permission. Failure to do so could result in the council serving a breach of condition notice against which there is no right of appeal.

Under the Town and Country Planning (Fees for Applications, Deemed Application, Requests and Site Visits) (England) Regulation 2012 there is a fee payable each time you make a request to discharge any of the conditions attached to this permission. You can apply to discharge more than one condition at the same time. At the time of this decision the fee is £34 per request for householder development and £116 per request in all other cases. The fee may be more when you come to apply for the discharge of condition if the Regulations have been amended. The fee is payable when you submit the details to discharge the condition(s). The Council has '1app' forms for such applications, but their use is not mandatory.

There is no fee for the discharge of conditions on listed building consents.

The Council has eight weeks to respond to applications to discharge conditions, so you will need to make your application in good time before commencing development.

2. **Material Samples** – please note that where any of the above conditions require the approval of materials, material samples are no longer accepted at the Council offices and should in the first instance be left on the application site for the relevant case officer to view and assess in context with its surroundings. Material samples and sample panels should be placed/erected on the site before an application to discharge that condition(s) is submitted.

Should leaving samples on site be impractical then arrangements should be made with the relevant case officer to view samples on site.

3. **Other rights/consents** - Planning permission only means that in planning terms a proposal is acceptable to the Local Planning Authority. Just because you have obtained planning permission, this does not mean you always have the right to carry out the development. Planning permission gives no additional rights to carry out the work, where that work is on someone else's land, or the work will affect someone else's rights in respect of the land. For example there may be a leaseholder or tenant, or someone who has a right of way over the land, or another owner. Their rights are still valid and you are therefore advised that you should seek legal advice before carrying out the planning permission where any other person's rights are involved.
4. **Environment** - The applicant's and/or the developer's attention is drawn to the requirements of the Control of Pollution Act 1974, the Environmental Protection Act 1990 and the Clean Air Act 1993, which relate to the control of any nuisance arising from construction sites. The applicant/developer is encouraged to undertake the proposed building operations in such a manner as to avoid causing any undue nuisance or disturbance to neighbouring residents. Under Section 61 of the Control of Pollution Act 1974, contractors may apply to the Council for 'prior consent' to carry out works, which would establish hours of operation, noise levels and methods of working. Please contact the Council's Environmental Protection Team Leader for further advice on this matter.
5. **Ecology** - Your attention is drawn to the need to have regard to the requirements of UK and European legislation relating to the protection of certain wild plants and animals. Approval under that legislation will be required and a licence may be necessary if protected species or habitats are affected by the development. If protected species are discovered you must be aware that to proceed with the development without seeking advice from Natural England could result in prosecution. For further information or to obtain approval contact Natural England on 0300 060 3900.
6. Bats are a highly mobile species which move between a number of roosts throughout the year. Therefore all works must proceed with caution and should any bats be found during the course of works all activity in that area must cease until a bat consultant has been contacted for advice on how to proceed. Under the Wildlife & Countryside Act 1981 (as amended) and the Habitat and Species Regulations 2010 it is illegal to intentionally or recklessly disturb, harm or kill bats or destroy their resting places.
7. Birds and their nests are fully protected under the Wildlife and Countryside Act 1981 (as amended), which makes it an offence to intentionally take, damage or destroy the eggs, young or nest of a bird whilst it is being built or in use. Disturbance to nesting birds can be avoided by carrying out vegetation removal or building work outside the breeding season, which is March to August inclusive.
8. **Public right of way** - No materials, plant, temporary structures or excavations of any kind should be deposited/undertaken on or adjacent to the Public Right of Way that may obstruct or dissuade the public from using the public right of way whilst development takes place. Reason: To ensure the public right of way remains available and convenient for public use.
9. No changes to the public right of way direction, width, surface, signing or structures shall be made without prior permission approved by the Countryside Access Team or necessary legal process. Reason: To ensure the public right of way remains available and convenient for

public use.

10. No construction/demolition vehicle access may be taken along or across a public right of way without prior permission and appropriate safety/mitigation measures approved by the Countryside Access Team. Any damage to the surface of the public right of way caused by such use will be the responsibility of the applicants or their contractors to put right / make good to a standard required by the Countryside Access Team. Reason: To ensure the public right of way remains available and convenient for public use

DEVELOPMENT MONITORING

The Council has identified the development hereby approved as one that it considers appropriate to monitor during construction. We would therefore be grateful if you could let us know of your intention to start the development at least 14 days prior to the commencement of work on site. You can do this by emailing the Council on: monitoring@cherwell-dc.gov.uk and providing us with the following information: application number; application address; and the date you intend to start the development. During the monitoring period, we will be assessing the development against the approved plans, and compliance with any conditions imposed on the permission. It is in your interest to comply with this request as it will help to avoid any unnecessary, and possibly expensive, corrective works.

STATEMENT OF ENGAGEMENT

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 38 of the National Planning Policy Framework, the Council has worked positively, creatively and proactively to determine this application within the agreed timescales, having worked with the applicant/agent where necessary and possible within the scope of the application (as set on in the case officer's report) to resolve any concerns that have arisen, in the interests of achieving more appropriate and sustainable development proposals. Consent has been granted accordingly.

The case officer's report and recommendation in respect of this application is available to view online at: <http://www.cherwell.gov.uk/viewplanningapp>. The agenda, minutes and webcast recording of the Planning Committee meeting at which this application was determined are also available to view online at: <http://modgov.cherwell.gov.uk/ieListMeetings.aspx?CIId=117&Year=0>

NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

NOTES TO THE APPLICANT

TIME LIMITS FOR APPLICATIONS

By virtue of Sections 91-96 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004, planning permissions are subject to time limits. If a condition imposing a time limit has been expressly included as part of the permission, then that condition must be observed. Otherwise, one or other of the following time limits will apply:

Where planning permission is given in outline subject to a condition reserving certain matters for subsequent approval, application for approval of such matters reserved must be made not later than the expiration of 3 years beginning with the date of the outline planning permission and further the development to which the permission relates must be begun not later than the expiration of 2 years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last reserved matters to be approved.

Where the planning permission is complete and is not in outline, the development must be begun not later than the expiration of 3 years from the date on which permission was granted.

OTHER NECESSARY CONSENTS

This document only conveys permission or approval for the proposed development under Part III of the Town and Country Planning Act 1990 and you must also comply with all the bye-laws, regulations and statutory provisions in force in the District and secure such other approvals and permissions as may be necessary under other parts of the Town and Country Planning Act 1990 (as amended), or other legislation.

In particular you are reminded of the following matters:

- The need in appropriate cases to obtain approval under the Building Regulations. **The Building Regulations may be applicable to this proposal. You are therefore advised to contact the District Council's Building Control Manager before starting work on site.**
- The need to obtain an appropriate Order if the proposal involves the stopping up or diversion of a public footpath.
- Data supplied by the National Radiological Protection Board (NRPB) and the British Geological Survey (BGS) suggests that the site of this application falls within an area which is potentially at risk from radon. This may require protective measures in order to comply with the Building Regulations if your consent relates to a new dwelling or house extension. Further advice on whether protective measures are required under the Building Regulations can be obtained by contacting the Building Control Manager on 0300 003 0200, or E-mail at building.control@cherwellandsouthnorthants.gov.uk
- The need to obtain a separate "Listed Building Consent" for the demolition, alteration or extension of any listed building of architectural or historic interest from the Local Planning Authority.
- The need to make any appropriate arrangements under the Highways Act in respect of any works within the limits of a public highway. The address of the Highway Authority is Oxfordshire County Council, Speedwell House, Speedwell Street, Oxford, OX1 1NE.
- It is the responsibility of the applicant to ascertain whether their development affects any public right of way, highway or listed building.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse to grant planning permission or grant planning permission subject to conditions, you can appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then;

- For **Householder** applications you must do so within **12 weeks** of the date of the decision
- For **Minor Commercial** applications you must do so within **12 weeks** of the date of the decision
- For **all other types** of planning applications, you must do so within **6 Months** of the date of the decision

Unless;

- The decision on the application relates to the same or substantially the same land and the development is already the **subject of an enforcement notice** then you must appeal within **28 days** of the date of the Local Planning Authority's decision on the planning application.
- If an **enforcement notice is served** relating to the same or substantially the same land and development as in your application and if you want to appeal the decision, then you must do so within **28 days** of the service of the enforcement notice, or 6 months (12 weeks for householder and minor commercial) of the date of this decision whichever is the sooner

Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel (0303 444 5000) Or online at www.planningportal.gov.uk/pcs**. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to them that permission or approval for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the Local Planning Authority, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by them.

PURCHASE NOTICES

If either the Local Planning Authority or the First Secretary of State grants permission or approval for the development of land subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the District Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is granted subject to conditions by the Secretary of State on appeal or on reference of the application to them.

These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
