| <b>Comments</b>           | <input type="text" value="Re: 19/01037 Firstly, I would like to point out that the Planning Consultation letter arrived by Royal Mail on Saturday 13th July which stated that comments needed to be given by the 12th July 2019! But I would like my comments to be considered and a response. My comments to the plans is to the layout of the development and to ask why the houses are being built close to the existing houses and the green areas are close to the existing green areas. This seems rather unfair to the residents of Sycamore Drive (and surrounding roads) who would love to enjoy/ use the green areas in the new development, but are somewhat a distance away. There is reasonable access from Wykeham Lane to enable the houses to be built nearer to that road and less residents would be affected by this change in that area. The new houses will be built overlooking those that back on to Salt Way and are on Sycamore Drive. This is also why I would like the development to move some of the green areas close to Salt Way and near the residents of Sycamore Drive and surrounding roads."/> |
