| <b>Comments</b>           | <input type="text" value="We live in Sycamore Drive, with beautiful views across Salt Way fields, we can see as far as Bloxham church - this was one of the main reasons for purchasing the house, and these views would be obliterated if the proposed development were allowed to proceed. In addition, there are already over 1,000 homes being built at Longford Park, which is just over the road - since that development started, the traffic both on Oxford Road, in Bodicote village &amp; in our road, has increased to a ridiculous level. Not to mention the many other developments going on in the surrounding area... Also, there is the increased noise &amp; air pollution with the huge increase in traffic. If the proposed development were to be allowed to proceed, our lives, along with many others locally, would be ruined - this cannot be allowed to proceed. If yet more new houses are to be allowed to be built, there must be more suitable land available somewhere else in the Banbury area. The lovely village of Bodicote will be a village no more, just part of the Banbury suburbs. P.S. I appreciate that I am submitting these comments after the deadline you have put in your letter of 12th July (which is the date you created the letter), however this could not be helped as we only received the letter today, 16th July !!"/> |
