Hi Linda

I have looked at a planning layout which shows the trees to be removed. I would like to see an Arboricultural Method Statement that details the measures to be undertaken on site to ensure the protection of the trees for the duration of the construction. Particular consideration should be shown to the trees covered by TPO 007/1994.

Thanks

Ellen

Hi Ellen  
Everything that has been submitted should all be on the application documentation.
