Comments	<p>My previous concerns regarding this application have not been addressed by this revised proposal. These are summarised by a lack of local amenities and infra structure (no pubs, only 1 bus per week, sewage provision at capacity), so we do not meet the criteria for a Category A village any longer, a nasty blind corner on the entrance and exit to the site and that this sits outside the village boundary. I also previously signed up to the Mid Cherwell Village plan which encompassed 27 houses and we will have met this threshold through other developments in the village - none of these developments are occupied yet with a number being finished but under dispute. I do not object to new houses per se as I live in a new estate myself but feel this makes a mockery of all the consultation that went on to agree the Mid Cherwell plan and being outside the village boundary without suitable investment to the main Fewcott Road is too risky for local motorists, runners, walkers and horse riders ... of which there are many.</p>
