Comments	I object to this application on the following grounds. - Fritwell's Cat A status is not legitimate. No pubs, and no usable bus service, and very little employment, other than homeworkers, or commuters means that all residents will have to commute to work, leisure activities, amenities and school. This is not sustainable in todays world. - This development goes against the Mid Cherwell plan published recently. It expands the boundary of the village. - This proposal is on a corner in the road where cars accelerate, or are often slowing down late, and the entrance will be in the blind spot behind this bend. - Fritwell has it's fair share of infill development, and has met it's quota
