Comments	<p>Dear Mr Kirkham, Further to my earlier public comments and my formal request of 25th November to Fritwell Parish Council to provide me with answers to questions I raised regarding justification for their support of this application, I am extremely disappointed to report that Fritwell Parish Council have since refused to provide me with a response. One of the questions I raised with them was the origin of their stated need for "25" new homes in the village. Since raising this question with the Parish Council, I and other Fritwell residents have looked into this matter further and I now write to provide additional context to our existing objections to the above development proposal, based on recent learnings. Please see the attached letter. Kind regards, Robin England</p>
