Dear Mr Kirkham,

Thank you for your reply.

To your question, yes, the Survey has been initiated by the MCNP Forum with the support of the 11 Parish Councils, including Fritwell.

Attached you will find an extract : page 1 - an explanatory one, complete with the MCNPF logo and then page 2 (of 7) which references provision for sheltered housing schemes - of about 12 dwellings - with the focus on Cat A villages i.e. Steeple Aston, Fritwell and Kirtlington.

So, in addition to the disconnect around the actual number of extra houses already being developed in Fritwell, this is the main driver for my further objection.

Even ahead of nuanced resident feedback through the survey, the hard numbers in the MCNP show a clear need for a provision of this type of scheme and so Fritwell must retain the capacity within its MCNP.

Best regards.

Dear

Thank you for the comments. They will be taken into consideration when a decision is made on the application. The application will be reported to the Planning Committee on Wednesday 18th December for a decision and I will update these matters in the update papers.

In your comments you refer to a Mid- Cherwell Older People's Options Survey. Did this come from the Mid Cherwell Neighbourhood Forum?

Thank you.

Kind regards
