Comments	<input type="text" value="Dear Sir / Madame We actually live opposite the proposed site. Whilst my wife and I appreciated there would be building on the land eventually when we moved on to Longford park in 2015 we still have the following objections. 1. The increase from 600 to 850 dwellings is unacceptable 2. Access - Access via Hobby Road will make it impossible, due to upwards increase traffic / noise (upwards of an additional 1200 cars), to live the life we moved from London to enjoy. Longford Park is already used as a rat run putting children playing in danger 3. Noise pollution from construct to habitation. 4. Wild life - we have on these fields a family of deer who often frequent the space opposite our home - these will be displaced. 5. Carbon footprint & Air Quality 6. The Builder - Hallam Land Management has not completed promised works on Longford Park, namely a Church and shops - surely this breaches section 106 guidelines - shouldn't they be forced to complete the project?? I trust that these will be considered favorably Regards David & Amarit Hawkes"/>
