Dear Sir /Madam,

Re the above planning application we strongly object to another 850 houses being built on Longford Park. It is now being classed as Banbury but actually it is on Bodicote's doorstep yet again and enough is enough!

Our objections are: How on earth will the A4260 cope? We assume this will mean yet another set of Traffic lights, meaning more congestion getting into Banbury.

With all the proposed new homes, are there enough GP's to cope, we all know surgeries are struggling with the number of patients now.

Is the developer going to build new GP's surgeries and if so how will they be staffed as there is already a shortage, not to mention the on going problems at the Horton Hospital!

We think that this area has already taken its fair share of new developments and we don't want anymore.

We await your comments.

Mr W.A. Birch
