<b>Comments</b>	<input type="text" value="I welcome and support the application for the much-needed provision of additional football pitches and changing rooms facilities which are in a massive short supply in the town. I support the consolidation of pitches in a hub facility. I believe that the proximity to the A4260 will minimise any traffic issues resulting from users driving to the facility. The local community need more recreation facilities for the young to with the amount of housing being built."/>
