Comments	<input type="text" value="I note from the schematic diagram that there is an area allocated for the relocation of Banbury United FC, however there is no mention of progression for the club within this planning application. Banbury as a whole is devoid of any real training facilities such as pitches and changing rooms and the provision of these on the site is a positive step forward. The proximity to the main road(A4260) also gives easy access to the area which will ease any possible traffic issues. A bit of positive news for BUFC would however be very welcome as this has been ongoing since 2012."/>
