Comments	<input type="text" value="I am pleased to see that much needed sports pitches are to be included in this application, but disappointed that there is no mention of a ground for Banbury United even though this has appeared in draft plans. There have been several years of uncertainty with regards to our town's community football club and I am convinced that this uncertainty holds back further progress and I very much hope that the location shown on some drafts will become part of the formal application."/>
