Dear Colleagues

**PLANNING APPLICATION – 19/01047/OUT**

We welcome and support the application for the much-needed provision of football pitches and changing rooms facilities which are included in this application. These are in short supply in the town and additional provision is required to meet demand and to assist Cherwell District Council meet it's aim for the community to "Be Active – more often".

We support the consolidation of pitches in a hub facility. We note that this is situated in the area identified within the Adopted Cherwell Local Plan for our relocation. We would welcome being actively engaged in the development of any facility.

We believe that the proximity of the facility to the A4260 will minimise any issues resulting from additional traffic from users of the facility. We also believe that any peak usage would not coincide with rush hour traffic.

Yours faithfully

**Stephen Barlow**
