**Subject:** Planning Application 19/01047/OUT - Land North East Of Oxford Road West Of Oxford Canal And East Of Bankside Banbury

Dear Sir/Madam,

I wish to make an observation about the details recorded for application 19/01047/OUT - Land North East Of Oxford Road West Of Oxford Canal And East Of Bankside Banbury. The description of the site and administrative details that are displayed related to this application are not fully correct – e.g. on Planning Register and within certain documentation recorded on the application file. The Parish is listed only as Banbury, and Ward as Banbury Calthorpe and Easington - however around half of the application red line area is within Bodicote Parish - therefore within Adderbury, Bloxham & Bodicote Ward. The access at southern end of the red line is actually within Adderbury parish!

Also I notice the Screen Opinion Decision Notice – ref 19/00038/SO- only refers to the Parish (s) as Banbury – again Bodicote and Adderbury are missing.

While I appreciate the details may be correct for the centroid of the application area, the omission of the other parishes and Ward affected within the red line is somewhat misleading to the general public.
