<b>Comments</b>	<input type="text" value="Dear Sir I understand that the above planning application requires access to the proposed development is via Songthrush Rd and Hobby Rd. This will greatly increase the traffic in these quite residential streets and increase the air pollution and noise pollution in the area we live. At the moment these roads are already congested and that they were never designed as access roads and that the proposed access passes by a school. Therefore this will increase the road accidents and unsafe for residents and their children. Therefore we strongly object the access to the proposed development is via Songthrush Rd and Hobby Rd. Thank you. Kind Regards Dr Jagath Kasturiarachchi"/>
