<b>Comments</b>	<input type="text" value="I strongly oppose the application for an additional 850 Houses on Longford Park. We know the post code has been amended to OX16 Banbury but we know this area is in the Bodicote Parish. Bodicote has had more than it's fair share of expansion and this new development is a step too far. We have had Longford Park, Spitfire Homes, Cotefield Homes, Development of houses to come on the much used Car boot field, and the new estate to run alongside Salt Way with a new road to link into the A361, which in itself looks like increasing traffic coming into the outskirts of Bodicote The main Oxford road (A4260) has not seen any upgrades to cope with this additional traffic. I have counted that from Banbury Cross to the junction with Weeping Cross there are 10 sets of traffic lights to become 11for the new access road. This is soon going to resemble travelling into London and what a night mare that is, and what about the pollution with the stop start effect of the traffic?"/>
