Comments	<input type="text" value="This addition cannot be allowed to be built. Banbury is growing too quickly and an additional 825 homes will only exacerbate the situations. Services will continue to be stressed. The roads will be even more congested with an additional 1500 cars in a tight area. Banbury is a countryside market town and is losing its character due to overbuilding and overcrowding. It can take a half hour to drive the two miles to the rail station. This will only make it worse. This situation will not be ameliorated by empty promises by the builders either. Almost none of the promises made for Longford Park have come to fruition. No GP surgery. No shops. No pub."/>
