Comments	<input type="text" value="The main objection is traffic. This part of town is now largely gridlocked. More traffic coming out onto the Oxford Road and eventually into Bankside will only make it worse. To have another development this size in this area will also ruin any character Bodicote had left. There are no extra amenities. Longford Park never got its pub, shops or doctors that was promised under the Section 106. The 'country park' is still not finished after 3 years. Who is to say anything here that is promised in mitigation will actually happen?"/>
